Blu Salon

Cosmopolitan in outlook, progressive in styles, Blu's professionals have one objective: "Creating the best you."

Glorious hair color accentuates the cut, with rich autumn tones for brunette and blonde alike. Advanced highlighting techniques add texture and dimension. Blu specialists train worldwide to maintain their pioneering edge, combining talent with top product lines such as GHD from London. Absolute comfort, ultimate beauty—just across the George Washington Bridge from Manhattan. 201-941-5400; www.blusalon.net
